

## Challenge #9: Video and Forms

The image shows a web development environment with two windows. The top window is a code editor showing the HTML code for `index1.html`. The code includes a meta charset, viewport, and a link to a stylesheet. It features a YouTube video player for a video about Jessica Lee, followed by a paragraph about dance troupes and a video player for a dance performance.

15     She was a pre-debut member of the girl group HIGTEEN and former Idol School contestant. In 2016, she was a member of HIGTEEN and
16     was featured their pre-debut single "Grow Up" before leaving the group prior to their official debut in October.
17     She became a contestant on Mnet's girl group survival show Idol School in 2017 but was eliminated in episode 4 during their team performances.
18     After being eliminated, she announced that she was done with her K-pop idol career. She then moved back to the Philippines and
19     became a YouTuber after opening her own personal channel.</p>
